

CITY OF SAN DIEGO, CALIFORNIA
COUNCIL POLICY

CURRENT

SUBJECT: SUBMISSION OF BALLOT PROPOSALS
POLICY NO.: 000-21
EFFECTIVE DATE: October 16, 1995

BACKGROUND:

The San Diego Municipal Code authorizes the City Clerk to oversee the conduct of elections within the City of San Diego. At the present time an established procedure exists for Council consideration of ballot proposals submitted by members of the public which includes public notification and time for consideration of proposals by the Rules Committee prior to their consideration by the Council. There is, however, no specific procedure for the submittal of ballot proposals by the City Manager, independent department directors, or a public agency. This results in confusion and, in some instances, little time for consideration of proposals prior to an election.

PURPOSE:

1. To limit consideration of ballot proposals to only those elections that are conducted throughout the entire city.
2. To establish procedures for the submittal of ballot proposals to the City Council, by members of the public, the City Manager, independent department directors, or a public agency.

DEFINITIONS:

For the purpose of this Council Policy, "public agency" means the San Diego Unified School District, San Diego Community College District, Retirement Board of Administration, and any similar entity.

POLICY:

- I. Submittal of ballot proposals by members of the public:
 - A. Ballot proposals may be submitted at any time to the office of the City Clerk.
 - B. The City Clerk shall transmit promptly such submitted proposals to the Rules Committee Consultant.
 - C. The Rules Committee Consultant shall place the proposals on the Rules Committee meeting agenda for subsequent review and comment by the Committee.
 1. The Rules Committee may request that proponents of a proposal or a City Department to furnish background information, provide an analysis of the proposal and report back to the Committee.
 2. A proposal that has received Rules Committee review and comment, and that is being forwarded to the Council for consideration, shall be referred to the City Clerk. The Clerk shall maintain it on file until such time as action by the Council is required for placing propositions before the electorate.
